

U.S. NAVY SUPER BOWL LVII FLYOVER TEAM

12 February 2023

**Prepared by
Navy Outreach**

EXCELLENCE IN AVIATION

Our Teams:

To commemorate 50 years of women flying in the U.S. Navy, the service will conduct a flyover of State Farm Stadium during the national anthem with female aviators as part of the formation. The formation will be composed of an F-35C Lightning II from the “Warhawks” of Strike Fighter Squadron VFA- 97, two F/A-18F Super Hornets from the “Flying Eagles” of VFA-122, and an EA-18G Growler from the “Vikings” of Electronic Attack Squadron (VAQ) 129.

- Warhawks VFA 97 out of Lemoore, California
- Flying Eagles VFA 122 out of Lemoore, California
- Vikings VAQ out of Oak Harbor, Washington

ARIELLE ASH

Squadron: VFA-122
Rank: Lieutenant
Aircraft: F/A-18E/F
Total Flight Hours: 910

Hometown and Education	Abilene, TX, Wylie High School, Texas Tech University
Hobbies	Hiking, camping, and snow skiing
Coollest Part About Being in the Navy	Flying an F/A-18 is definitely the coolest part about being in the Navy, and getting to fly with some of my closest friends is awesome.

MARGARET DENTE

Squadron: VAQ-129
Rank: Lieutenant
Aircraft: EA-18G
Total Flight Hours: 1,300
Recently Deployed: October 2017- May 2018
onboard USS Theodore Roosevelt

Hometown and Education	North Salem, NY, North Salem High School, University of Southern California
Favorite NFL Team	Chicago Bears
Hobbies	Parenting my young son, skiing, hiking and reading
Coollest Part About Being in the Navy	I grew up wanting to fly, just like my grandfather did as a Marine helicopter pilot in Vietnam, and my dad, as a life-long civilian pilot. Being a naval aviator is a realization of that dream. Nothing compares to flying jets off an aircraft carrier. I feel so fortunate for the privilege to serve this country alongside its finest, doing the job I love, with all the amazing friends I have made along the way.

JACQUELINE DREW

Squadron: VFA-125
Rank: Lieutenant
Aircraft: F-35C
Total Flight Hours: 1,000

Hometown and Education	Waltham, MA, St. Mark's School, United States Naval Academy
Favorite NFL Team	New England Patriots
Hobbies	Skiing, backpacking, watching sports
Coollest Part About Being in the Navy	It is really a privilege to have a job that constantly challenges you, forcing you to adapt daily to accomplish whatever task you are executing. The Navy provides the opportunity to meet people from unbelievably diverse backgrounds and create some very lasting relationships. It is never lost on me how unique it is to fly, and being a pilot is a very cool way to spend a day at the office.

LYNDSAY EVANS

Squadron: EAWS
Rank: Lieutenant
Aircraft: EA-18G
Recently Deployed: 2018 CVW-2 onboard USS Carl Vinson

Hometown and Education	Palmdale, CA, Paraclete High School, University of Southern California
Favorite NFL Team	Los Angeles Rams
Hobbies	Climbing, hiking, softball, video games, and reading
Coollest Part About Being in the Navy	Getting to travel the world and visit countries I wouldn't get to on my own. And all the great people.

KATHRYN MARTINEZ

Squadron: VFA-122

Rank: Lieutenant

Aircraft: F/A-18F

Total Flight Hours: 1,200

Recently Deployed: November 2019- June 2020
CVW-1 onboard USS Truman

Hometown and Education	Springfield, VA, Thomas Jefferson HSST, University of Notre Dame
Favorite NFL Team	Denver Broncos
Hobbies	Soccer, basketball, running playing with my dog, and watching UND sports
Coollest Part About Being in the Navy	I grew up in a Navy family and saw the friendships my parents fostered throughout my dad's years in service. Being able to do the same as an adult has made my time in the Navy worth it. The flying is amazing, the people are even better.

SAREE MORENO

Squadron: VFA-122

Rank: Lieutenant

Aircraft: F/A-18F

Total Flight Hours: 1,200

Recently Deployed: April 2019- January 2020
CVW-7 onboard USS Abraham Lincoln

Hometown and Education	Tampa, FL, Academy of the Holy Names, United States Naval Academy
Favorite NFL Team	Tampa Bay Buccaneers
Hobbies	Reading, soccer, weightlifting
Coollest Part About Being in the Navy	The actual flying we do is by far the coolest part of being in the Navy. We, as aviators, forget how unique our job actually is, and being up in the sky has always reminded me how incredible it is.

NAOMI NGALLE

Squadron: VFA-2
Rank: Lieutenant
Aircraft: F/A-18F
Total Flight Hours: 565

Hometown and Education	Springfield, VA, West Springfield High School, United States Naval Academy
Favorite NFL Team	New York Jets
Hobbies	Cooking, bowling, karaoke, and going on cinematic adventures at the movie theater
Cooler Part About Being in the Navy	The best part of being in the Navy is the honor and joy of contributing towards U.S. naval forward presence and power projection.

CAITIE PERKOWSKI

Squadron: VFA-192
Rank: Lieutenant
Aircraft: F/A-18E
Total Flight Hours: 602

Hometown and Education	Albuquerque, NM, La Cueva High School, United States Naval Academy
Favorite NFL Team	Dallas Cowboys
Hobbies	Running with my dog, snowboarding, golfing gardening, and backpacking
Cooler Part About Being in the Navy	The Navy lets me fly an F/A-18E every day! I've waved jets into the wires of an aircraft carrier, dropped live bombs and flown at 100 ft and 500 kts over the desert. I am grateful everyday for the opportunity to fly and that I am able to defend my country, and I am motivated everyday but the purpose behind what I do and the support of my family and friends and the amazing work of all of the Sailors that enable us to be the premier fighting force in the world.

TAYLOR RUDOLPH

Squadron: VFA-122
Rank: Lieutenant
Aircraft: F/A-18F
Total Flight Hours: 50

Hometown and Education	Memphis, TN, St. Benedict at Auburndale, The University of Alabama, Medical School VCOM-Carolinas
Favorite NFL Team	Tennessee Titans
Hobbies	Hiking as many National Parks as I can, traveling the country with my husband, and watching Alabama football
Coollest Part About Being in the Navy	As a flight surgeon, I have had the opportunity to receive unique medical training in preparation for various austere environments. Flying in an F-18 and integrating into an aviation squadron is such an amazing experience that I would never have as a civilian. Our aviators are some of the hardest working and most selfless people that I have met, it has been such an honor to get to know them and be a part of their careers. The people that I have met, including my husband, have been the best aspect of my time in the Navy and I will cherish those friendships the rest of my life.

SUZELLE THOMAS

Squadron: VFA-97
Rank: Lieutenant
Aircraft: F-35C
Total Flight Hours: 350

Hometown and Education	Birmingham, AL, Episcopal High School, United States Naval Academy
Favorite NFL Team	Atlanta Falcons
Hobbies	Skiing, hiking, sports
Coollest Part About Being in the Navy	The coolest part about being in the Navy is getting to be a part of a team with the enlisted and officers in VFA-97. I love that my job is learning to fly my aircraft better every day and support our country. I admire the people I work with and feel blessed that this is my career.

CALLI ZIMMERMAN

Squadron: VFA-122

Rank: Lieutenant Commander

Aircraft: F/A-18E

Total Flight Hours: 1,315

Recently Deployed: April 2019- February 2020
CVW-7 onboard USS Abraham Lincoln

Hometown and Education	San Jose, CA, Leigh High School, University of Nevada, Reno
Favorite NFL Team	San Francisco 49ers
Hobbies	Skiing, hiking, flying, watching the niners, BBQ
Coolest Part About Being in the Navy	Flying has always been a childhood dream of mine. Landing on a moving boat solidified my love for this career. The family you build within this Navy over the years is one to be cherished and remembered for life.

TABITHA BLEDSOE

Squadron: VFA-147

Rank: Chief Aviation Machinist Mate

Aircraft: F-35C

Recently Deployed: June 2021- February 2022
CVW-2 onboard USS Carl Vinson

Hometown and Education	Wellsville, NY, Andover Central School
Favorite NFL Team	Philadelphia Eagles
Hobbies	Wood working, spending time with family, hiking, working on my car, traveling
Coollest Part About Being in the Navy	Being able to travel the world and visiting countries I would have never had the opportunity to see otherwise. Leading junior Sailors and watching them achieve their goals throughout their enlistment/career. Seeing all the changes that have been implemented in the community since our squadrons first F-35C deployment.

CAITLIN HILLYGUS

Squadron: VAQ-129

Rank: Aviation Structural Mechanic First Class

Aircraft: EA-18G

Hometown and Education	Albuquerque, NM, Sandia High School, Multnomah University
Favorite NFL Team	Seattle Seahawks
Hobbies	Working out, reading, cooking, getting outdoors, art
Coollest Part About Being in the Navy	Once in a lifetime opportunities, traveling the world and working on jets. Being a part of something greater and serving my country.

MACKENZIE ANDREWS-GRISWOLD

Squadron: VFA-97
Rank: Aviation Structural Mechanic Second Class
Aircraft: F-35C

Hometown and Education	Winchester, CT, The Gilbert School
Hobbies	Planting, DIY projects, and anything outdoors
Coollest Part About Being in the Navy	Working on aircraft and seeing and experiencing different countries and cultures.

NATALIE GARCIA

Squadron: VFA-125
Rank: Aircrew Survival Equipmentman Second Class

Hometown and Education	San Diego, CA, Sweetwater High School
Favorite NFL Team	Los Angeles Chargers
Hobbies	Working out and walking my dogs
Coollest Part About Being in the Navy	Being able to live in different countries and meeting people from all over the world.

ASHLEY CLIFFORD

Squadron: VFA-122
Rank: Aviation Machinist Mate First Class
Aircraft: F/A-18F
Recently Deployed: January 2017- June 2017
CVW-2 onboard USS Carl Vinson

Hometown and Education	Spokane, WA, John Rodgers High School, American Public University
Favorite NFL Team	Seattle Seahawks
Hobbies	Reading, board games with family, and spending time outdoors with family

NICOLE LARDIZABAL

Squadron: VAQ-129
Rank: Aircrew Survival Equipmentman First Class
Aircraft: F/A-18G

Hometown and Education	Vancouver, WA, Fort Vancouver High School, Washington State University
Favorite NFL Team	Seattle Seahawks
Hobbies	Climbing/bouldering, backpacking, scuba diving, snowboarding, hiking watching movies and yoga
Coollest Part About Being in the Navy	I enjoy the opportunities to travel that the Navy has provided me and the mystery of never fully knowing where I might end up, and where the Navy might take me.

KIANI HOWARD

Squadron: VFA-147

Rank: Aviation Ordnance Airman

Aircraft: F-35C

Recently Deployed: November 2021- February 2022
CVW-2 onboard USS Carl Vinson

Hometown and Education	Tustin, CA, Tustin High School
Favorite NFL Team	Philadelphia Eagles
Hobbies	Working out, art, and cooking
Coollest Part About Being in the Navy	Being able to travel and experience new things.

MIKAYLA MARTIN

Squadron: VFA-147

Rank: Aviation Structural Mechanic Second Class

Aircraft: F-35C

Recent Deployment: June 2021- February 2022
CVW-2 onboard USS Carl Vinson

Hometown and Education	Aurora, CO, Cherokee Trail High School
Favorite NFL Team	Kansas City Chiefs
Hobbies	Learning new sports, watching football, and reading
Coollest Part About Being in the Navy	Getting to travel with new people, getting to understand and learn things about different areas of our country through other people's experiences.

JALAYLA MALLOY

Squadron: VFA-97
Rank: Aviation Ordnanceman Third Class

Hometown and Education	Detroit, MI, Oak Park High School
Favorite NFL Team	Detroit Lions
Hobbies	Singing, reading books, and playing video games
Coollest Part About Being in the Navy	The coolest part of being in the Navy is I get to travel to different cities and states that I've never been to before and get to experience a lot of cool things.

ROSA MEJIA

Squadron: VFA-147
Rank: Aviation Ordnanceman Second Class
Aircraft: F-35C
Recent Deployment: June 2021- February 2022
CVW-2 onboard USS Carl Vinson

Hometown and Education	Aguas Buenas, PR, Isidor A. Sanchez High School
Favorite NFL Team	Dallas Cowboys
Hobbies	Working out, going to the beach, and traveling
Coollest Part About Being in the Navy	Being able to meet new people and the extended family I have gotten since joining. Being a part of the first F-35C deployment.

MARIA QUEJADA

Squadron: VAQ-129
Rank: Aviation Ordnanceman Second Class
Aircraft: E/A-18G

Hometown and Education	Los Angeles, CA, University High School
Favorite NFL Team	Los Angeles Rams
Cooler Part About Being in the Navy	Having a chance to create a better future for myself and my loved ones.

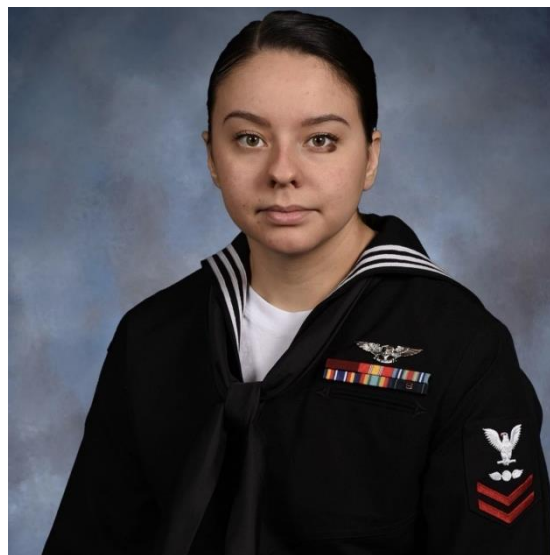

LIZVETTE MONTIEL

Squadron: VFA-122
Rank: Aviation Structural Mechanic Second Class
Aircraft: F/A-18E/F
Recent Deployment: December 2020-June 2021
CVW-11 onboard USS Theodore Roosevelt

Hometown and Education	Riverside, CA, Rancho Verde High, La Sierra University
Favorite NFL Team	Los Angeles Rams
Hobbies	Music festivals/ concerts, visiting museums, and traveling
Cooler Part About Being in the Navy	Traveling to different countries and experiencing different cultures. Ability to experience a foreign trade that has given me the opportunity to expand my wealth of knowledge, being able to give back to my country and be an example for those aspiring to a career in the military.

RHIANNON SELLINGER

Squadron: VAQ-129
Rank: Aviation Electronics Mate Second Class
Aircraft: EA-18G

Hometown and Education	Amarillo, TX, Highland Park ISD, Amarillo College
Favorite NFL Team	Dallas Cowboys
Hobbies	Art, puzzles, and true crime
Coolest Part About Being in the Navy	The coolest part about being in the Navy is everything I have been able to experience so far in my career. Especially being able to be a part of this fly over for the Super Bowl!

ARIANA SCOTT

Squadron: VFA-122
Rank: Aviation Structural Mechanic Third Class
Aircraft: F/A-18E/F

Hometown and Education	Chandler, AZ, Hamilton High School, University of Phoenix
Favorite NFL Team	Arizona Cardinals
Hobbies	Painting, dancing, cosmetology, reading, and cooking with family
Coolest Part About Being in the Navy	Being able to serve with people that become as close as family has been one of the greatest rewards in the Navy. Serving in the Navy was always a huge passion of mine and I am proud I get to do this job everyday with the most amazing people.

REANELL SMYTHE

Squadron: VFA-147

Rank: Aviation Electronics Mate Second Class

Aircraft: F-35C

Recently Deployed: June 2021- February 2022
CVW-2 onboard USS Carl Vinson

Hometown and Education	Fort Lauderdale, FL, Alatoona High School
Favorite NFL Team	Jacksonville Jaguars
Hobbies	Hanging out with friends and family, traveling
Coollest Part About Being in the Navy	Being able to have new experiences and seeing the world while working on the F-35C.

STACY WEDEMEYER

Squadron: VFA-122

Rank: Aviation Structural Mechanic Third Class

Aircraft: F/A-18F

Hometown and Education	Bakersfield, CA, Liberty High School
Favorite NFL Team	Denver Broncos
Hobbies	Weightlifting, riding horses, running
Coollest Part About Being in the Navy	Being in the Navy has been a dream of mine after seeing my brother retire as a Senior Chief. I looked up to him as a kid and it's an honor to follow in his footsteps. Being a part of the maintenance crew for these jets makes me feel like I'm a part of something bigger and I can't wait to see what else I get to experience while being in the world's greatest Navy.

DANIEL ARMENTEROS

Squadron: VFA-147
Rank: Lieutenant Commander
Aircraft: F-35C
Total Flight Hours: 1,900
Recently Deployed: June 2021- February 2022
CVW-2 onboard USS Carl Vinson

Hometown and Education	Pembroke Pines, FL, Charles W. Flanagan, United States Naval Academy
Favorite NFL Team	Miami Dolphins
Hobbies	Downhill skiing, hiking the national parks, amateur astronomy, and aviation history
Cooler Part About Being in the Navy	By far, flying and operating around the globe from the flight deck of an aircraft carrier. This unique Navy-only capability adds a layer of complexity and excitement to the already challenging field of aviation. I love the rush of getting launched off the carrier's catapult and the satisfaction of snagging a wire after landing. The precision and skill required to land on a moving area roughly twice the size of a football field keeps everyone, from the most junior pilot to the most seasoned aviator, on their toes, and in the game at all times. I am extremely grateful to be a part of the Navy's tailhook team and look forward to many more years serving my country from the sea.

WILLIAM FRANK III

Squadron: VFA-122
Rank: Captain
Aircraft: F/A-18F
Total Flight Hours: 3,450
Recently Deployed: October 2017- May 2018
CVW-17 onboard USS Nimitz

Hometown and Education	Decatur, IL, Quantico High School, Purdue University
Favorite NFL Team	Chicago Bears
Hobbies	Golf, running, watching the Bears, Cubs, and Purdue sports
Cooler Part About Being in the Navy	Flying in the Navy was my dream from childhood, still getting to do that after 21 years of service is a dream come true everyday. The people I get to work with and the lifelong friends and family I've made from the Navy are also a great part of this profession.

LENUE GILCHRIST III

Squadron: VAQ-129

Rank: Lieutenant

Aircraft: E/A-18G Growler

Total Flight Hours: 893

Recently Deployed: May 2020- November 2020
INDOPACOM deployment with VAQ-131

Hometown and Education

San Antonio, TX, Randolph High School, United States Naval Academy

Favorite NFL Team

Detroit Lions

Hobbies

Basketball, snowboarding, pickleball and watching sports

Cooler Part About Being in the Navy

Cooler part about being in the Navy was meeting my wife and getting to fly and work with great people each and everyday. Also, the Navy has opened up opportunities that I never dreamed of, such as, being fortunate enough to take part in events like the Super Bowl.

SLAWOMIR GLOWNIA

Squadron: VAQ-129

Rank: Lieutenant

Aircraft: E/A-18G Growler

Total Flight Hours: 1,350

Recently Deployed: November 2020-December 2020
with VAQ-135

Hometown and Education

Chicago, IL, Steinmetz Academic Center, San Diego State University

Favorite NFL Team

Chicago Bears

Hobbies

Mountain biking and astronomy

Cooler Part About Being in the Navy

Working alongside many brilliant people makes broadening your horizons not only necessary, but also inevitable. It is a journey of continual learning. The Navy constantly offers cool opportunities, challenges, and adventures. Flying the Growler has been all three.

RYAN TURNER

Squadron: VFA-147

Rank: Lieutenant

Aircraft: F-35C

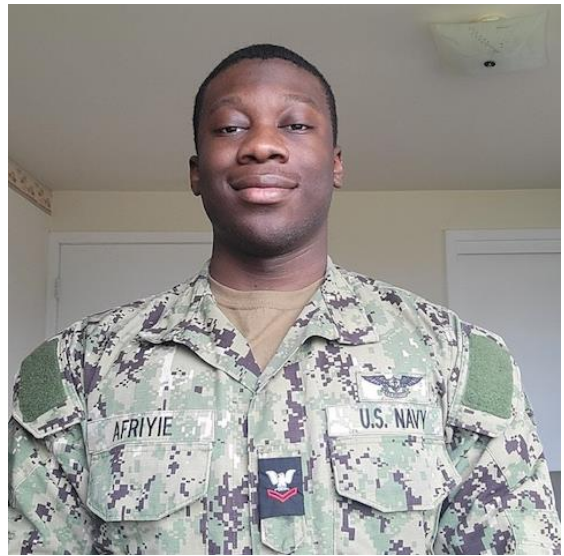

Total Flight Hours: 780

Recently Deployed: August 2021- February 2022
CVW-2 onboard USS Carl Vinson

Hometown and Education	Boone, NC, Watauga High School, United States Naval Academy
Favorite NFL Team	Carolina Panthers
Hobbies	Fly fishing, skiing, mountain biking, adventuring with my wife and golden doodle Denver
Cooler Part About Being in the Navy	Naval Aviation is a team game. Airborne success is only possible through our dedicated maintenance, intelligence, and operations professionals. We take our teams into the most challenging and unique aviation environment in the world - the aircraft carrier and stand ready answer the call.

NATHANEAL AFRIYIE

Squadron: VFA-97
Rank: Aviation Structural Mechanic Second Class
Aircraft: VAQ-129

Hometown and Education

Duluth, GA, Duluth High School

Cooler Part About Being in the Navy

I enjoy the challenges that come along the way and finding ways to overcome them. Whether it be troubleshooting something you've never troubleshot before, or trying to install and remove a valve that you barely replace. Serving in the Navy means I get to wake up everyday and better myself and this country one day at a time.

BRANDON BAUMANN

Squadron: VAQ-129
Rank: Aviation Electronics Technician Second Class
Aircraft: E/A-18G Growler

Hometown and Education

Eustis, FL, Eustis High School, Jacksonville University

Favorite NFL Team

Tampa Bay Buccaneers

Hobbies

Bowling, golfing, and going to breweries

Cooler Part About Being in the Navy

Being able to do events such as the Super Bowl.

JOSHUA CASTILLO

Squadron: VFA-122

Rank: Aviation Machinist Mate Second Class

Aircraft: F/A-18

Recently Deployed: November 2019-June 2020
Onboard USS Harry Truman

Hometown and Education	San Antonio, TX, Jon Jay High School
Favorite NFL Team	Dallas Cowboys
Hobbies	Photography, hiking, and reading
Cooler Part About Being in the Navy	The coolest part of being in the Navy is experiencing new places and meeting new people that I never would have without joining.

CESAR CHANGE

Squadron: VFA-122

Rank: Aviation Electronics Mate Third Class

Aircraft: F/A-18E/F

Hometown and Education	Woodbridge, VA, Woodbridge High School
Cooler Part About Being in the Navy	Serving in the Navy means to protect everyone who needs it and to better ourselves to better help those in need. My favorite part about being an aviation electrician is getting to trouble shoot and fix jets.

JORGE DURON

Squadron: VFA-122

Rank: Aviation Machinist Mate Second Class

Aircraft: F/A-18F

Recent Deployment: December 2020-May 2022
CVW-11 onboard USS Roosevelt

Hometown and Education	Salida, CA, Gregori High School
Favorite NFL Team	Los Angeles Charges
Hobbies	Hiking, camping and video gaming
Coollest Part About Being in the Navy	Coming into the Navy, I knew nothing about how to fix planes or even how they worked. I was lost and had no idea how to do my job. In the last five years I've learned how to effectively work on, troubleshoot and operate the engines of an F-18. Along the way I made many friends I wouldn't have met outside the Navy.

JASON FERRELL

Squadron: VFA-147

Rank: Master Chief Aircraft Maintencenceman

Aircraft: F-35C

Recent Deployment: August 2021- February 2022
CVW-2 onboard USS Carl Vinson

Hometown and Education	Southgate, MI, Houghton Lake High School, Columbia Southern University
Favorite NFL Team	Detroit Lions
Hobbies	Camping, fishing, and traveling
Coollest Part About Being in the Navy	The camaraderie in the Navy is second to none. I really love the people I work with. They will do anything for the mission. I love the fact that I get to work with the Navy's newest aircraft, the Joint Strike Fighter F-35C.

GERVIN FLORES

Squadron: VFA-147

Rank: Aviation Structural Mechanic Third Class

Aircraft: F-35C

Recent Deployment: June 2021- February 2022
CVW-2 onboard USS Carl Vinson

Hometown and Education	Houston, TX, Cypress Ridge High School
Favorite NFL Team	Philadelphia Eagles
Hobbies	Basketball and playing the guitar
Coollest Part About Being in the Navy	Being able to travel all over the country.

KEVIN FREY

Squadron: VFA-122

Rank: Aviation Machinists Mate Chief Officer

Aircraft: F/A-18F

Recent Deployment: October 2018- May 2019
CVW-9 onboard USS Stennis

Hometown and Education	Carmichael, CA, Le Entrada High School
Favorite NFL Team	Denver Broncos
Hobbies	Riding ATVs, fishing, and rebuilding cars
Coollest Part About Being in the Navy	Doing something my grandfather would be proud of by following in his footsteps and making this a career. Nowhere else can you have this sense of being part of something bigger than you and the feeling of accomplishment when the job is complete. Lastly, the people I get to work with and the lifelong friends and family I've made from the Navy are also a great part of this profession.

RONALD GORMAN

Squadron: VFA-97
Rank: Aviation Machinist Mate First Class
Aircraft: F-35C

Hometown and Education	Apache Junction, AZ, Apache Junction High School
Favorite NFL Team	Arizona Cardinals
Hobbies	Wake boarding, snowboarding, hiking, and watching football
Cooler Part About Being in the Navy	The coolest part of being in the Navy is getting to travel and see the world and having the privilege to work on F-35C aircraft and being qualified to turn the engine on. Having the ability to teach others what I know and getting to interact with such a diverse group of people makes the challenges fun and the rewards sweeter.

JESSE IRWIN

Squadron: VAQ-129
Rank: Aviation Ordnanceman Second Class
Aircraft: E/A-18G

Hometown and Education	New Port Richey, FL, River Ridge High School
Favorite NFL Team	Tampa Bay Buccaneers
Hobbies	Weight training, snowboarding, and magic the gathering
Cooler Part About Being in the Navy	The best thing about being in the Navy is meeting, learning and developing unique relationships with individuals from all different backgrounds!

ALEXANDER MIRANDA

Squadron: VFA-147
Rank: Aviation Machinist Mate Airman
Aircraft: F-35C

Hometown and Education	San Diego, CA, Mira Mesa High School
Favorite NFL Team	Los Angeles Charges
Hobbies	Working on my car, playing basketball, and hanging out my family
Coollest Part About Being in the Navy	Working on a multi-million dollar jet with the most advanced technology available. Also having the opportunity to travel the world and work in different countries.

JOSHUA MOHR

Squadron: VAQ-129
Rank: Aviation Structural Mechanic Second Class
Aircraft: EA-18G

Hometown and Education	Fort Mill, SC
Favorite NFL Team	Cincinnati Bengals
Hobbies	Hiking, playing the guitar, and backpacking
Coollest Part About Being in the Navy	The coolest part about being in the Navy to me is the traveling I've done since I have joined, I've been places that I wouldn't have been able to visit if it wasn't for joining the Navy. The people I've met and the friends I have made since joining has been another cool aspect of the Navy.

BRANDON OHANNESIAN

Squadron: VFA-147
Rank: Aviation Electronics Technician First Class
Aircraft: F-35C
Recent Deployment: June 2021-February 2022
CVW-2 onboard USS Carl Vinson

Hometown and Education	Whitmore Lake, MI, Whitmore Lake High School
Favorite NFL Team	Detroit Lions
Hobbies	Working on my car and being outside
Coollest Part About Being in the Navy	Having the ability to travel and see the world.

JOSEPH PARRY

Squadron: VAQ-129
Rank: Chief Aviation Machinist Mate
Aircraft: EA-18G

Hometown and Education	Mesa, AZ, Alamogordo High School
Favorite NFL Team	Dallas Cowboys
Hobbies	Golfing, dirt bike riding, watching football, and DIY projects
Coollest Part About Being in the Navy	The coolest part about being in the Navy is everything I have been able to experience, so far, in my 20-year career. Especially being able to be a part of this fly over for the Super Bowl!

JAMIE PRINGLE

Squadron: VFA-122
Rank: Engineering Aid Second Class
Aircraft: F/A-18E/F

Hometown and Education	Romeoville, IL, Plainfield East High School
Favorite NFL Team	Chicago Bears
Hobbies	Basketball, running, video games, watching the NFL, NBA, and F1
Cooler Part About Being in the Navy	Meeting and becoming lifelong friends with people from completely different parts of the country and being able to work alongside them on this awesome aircraft.

ZACHARY RAY

Squadron: VAQ-129
Rank: Aviation Electronics Technician First Class
Aircraft: EA-18G

Hometown and Education	Bonnorsferry, ID, Bonnorsferry High School, University of Massachusetts
Favorite NFL Team	Pittsburg Steelers
Hobbies	Woodworking, fixing aircraft, and building structures
Cooler Part About Being in the Navy	Helping others realize their potential.

JOHN ROGERS

Squadron: VFA-122
Rank: Aviation Electronics Technician Second Class
Aircraft: F/A-18E
Recent Deployment: January 2020-August 2022
VFA-83 onboard USS Dwight D Eisenhower

Hometown and Education	San Diego, CA, Rancho Bernardo High School
Favorite NFL Team	Los Angeles Rams
Hobbies	Motorcycles, house plants, and camping
Cooler Part About Being in the Navy	For me, the best part about being in the Navy are the lifelong friendships forged over the time and shared experiences while traveling. It's definitely one big family. There isn't anything like it.

EDER SALAZAR DUENAS

Squadron: VFA-147
Rank: Aviation Machinist Mate Second Class
Aircraft: F-35C
Recent Deployment: June 2021- February 2022
CVW-2 onboard USS Carl Vinson

Hometown and Education	Cheyenne, WY
Favorite NFL Team	New England Patriots
Hobbies	Spending time with my family, working on my car, and playing video games.
Cooler Part About Being in the Navy	Being able to work on the F-35C the most advanced aircraft in the world. It's a privilege to be able to work on it, but the best part is working with people from different walks of life. The diversity is great, and the squadron leadership is the best I have seen in my career.

JARED SHARP

Squadron: VFA-122

Rank: Structural Mechanic Second Class

Aircraft: F/A-18E/F

Recent Deployment: March 2020-February 2021
CVW-17 onboard USS Nimitz

Hometown and Education	Cleveland, TN, Walker Valley High, Tennessee Tech
Favorite NFL Team	New York Giants
Hobbies	Basketball and football coach, watching Tennessee sports, volunteering, and being a fragrance reviewer/influencer
Cooler Part About Being in the Navy	Visiting different countries and experiencing different cultures has been an invaluable experience for myself and my family. I love the people I work with and the people we support via the World's Finest Navy.

NICHOLAS SQUIRES

Squadron: VFA-97

Rank: Aviation Electronics Technician Second Class

Recent Deployment: 2018 in the Middle East

Hometown and Education	Panama City Beach, FL, Gilford High School, New Hampshire Technical Institute
Favorite NFL Team	New England Patriots
Hobbies	Going to the gym and hanging out with my family
Cooler Part About Being in the Navy	The opportunities that the Navy affords that would not be available to me otherwise.

JEDDRYAN TABLADILLO

Squadron: VAQ-129
Rank: Aviation Machinist Mate Second Class
Aircraft: EA-18G

Hometown and Education	Chicago, IL, Streamwood High School
Favorite NFL Team	Baltimore Ravens
Hobbies	Working out, photography, football, and basketball
Coollest Part About Being in the Navy	The coolest part about being in the Navy is all the cool places you get to see around the world, the friends you make, and the life lessons it has taught me throughout the years.

LORENZO TOSCANO

Squadron: VFA-122
Rank: Parachute Rigger Second Class
Aircraft: F/A-18F
Recent Deployment: January 2020-July 2020
VRC-230 onboard USS Theodore Roosevelt

Hometown and Education	Douglass, AZ, Douglass High School, University of Phoenix
Hobbies	Video games, walking, trying new foods, and exploring
Coollest Part About Being in the Navy	Serving my country and exploring past my hometown was something I always wanted. The U.S. Navy was the first to call me and recruit me. So far, I have visited 10 countries and have proudly served my country for 15 years.
